Approval of Minutes- The minutes of December 19<sup>th</sup>, 21<sup>st</sup>, 28<sup>th</sup> and January 4<sup>th</sup> were approved by MOTION of Messrs. Hill & Olson, all ayes.

Reports- Supervisor's, Town Clerk, Zoning, Assessor

Councilman Olson said the zoning update for the year was a good addition to the reports.

Approval of Abstracts:

**RESOLUTION NO. 25 OF 2007**

Mrs. Hayes & Mr. Olson introduced Res. 25 and moved its adoption:

**RESOLUTION TO AUTHORIZE PAYMENT OF ABSTRACTS**

RESOLVED, that the Town Board does hereby authorize the bookkeeper to pay the following abstracts:

Highway Vouchers # 1-21	\$43,346.44
General Vouchers #1-35	\$32,756.82
Highway Abstract 1	\$ 8,458.90
General Abstract 1	\$ 7,700.38

Hill-aye, Higgins-aye, Olson-aye, Hayes-aye, Bentley-aye

Questions on abstracts: Councilman Olson asked if there was any chance the retirement system payment would be lower in the future? Supervisor Bentley said the amount paid is considerably lower than what they first suggested. The question regarding compensation to those who participated in the Master Plan Meetings was then discussed. One member has put in for compensation and the Board feels that if we pay one we must pay all and that was not the understanding of the Board. The compensation will not be paid and Councilman Hill will talk to the person if he gets a chance.

OLD BUSINESS-

Surplus Bids- The Town Clerk opened the three bids for surplus highway equipment on January 16<sup>th</sup>. The bids were as follows:

York Rake- Robert Harrison bid \$106.00
Richard Smith Jr. bid \$215.33
Ford 1-ton- Bobby Donahue bid \$400.00

Resolution to award bids will be introduced later in the meeting.

Landfill Enclosure- Councilman Hill suggested the materials be purchased and be ready at the landfill for whenever Paul can spare a crew to work on it. HS Smith said it wouldn't take long to frame the enclosure.

Proposed Zoning Additions- Discussion about APA suggestions to previously submitted proposals. New proposal is to add additional sentence to the definition of "Garage, Residential", that sentence being "Detached garage not be habitable space and within which space no business activity or industry connected directly or indirectly with motor vehicle is conducted". Counselor Schachner said that APA may reject the "Garage, Residential" definition unless that last sentence is added. The addition of another definition, "Garage,

Commercial" which was inadvertently left out of the new Zoning Ordinance but was in the old one is also proposed. Councilman Olson asked if we needed to have another public hearing and Counselor Schachner answered, "we do". ZO McMeekin asked the Board to pay particular attention to the part of the letter from APA, which spoke about the difficulty the Zoning Officer would have in enforcing the "Guest Cottage" definition when it is allowed to have a kitchen in it. Mr. McMeekin said people would stay in a cottage with kitchen facilities a lot longer than they would if the cottage had none. Councilwoman Hayes said if she had a guest in a cottage she would not want them in her kitchen and wants the kitchen facilities left in, Councilman Hill agreed it should stay.

Councilman Olson said that as long as the Board will be going to another public hearing he would like them to include the proposal information he passed out to them. Councilman Olson said the proposed zoning changes would permit and encourage businesses as it was intended to do. The proposal is for the Town Board to amend the current Zoning Ordinance, returning the land use regulations regarding Section 8.20 COMMERCIAL/RESIDENTIAL (CR) to what they were in the Zoning & Project Review Ordinance of October 1976, moving "Conditional Uses" to "Uses Permitted by Right". ZO McMeekin said we do have residents living in the Commercial/Residential area and they should be able to have a say in what businesses will be located by them. Mr. McMeekin added that the people should be able to express their concerns instead of the Town just allowing these "uses permitted by right". Councilman Hill said he would hope that our Planning Board and ZBA would not "shoot down" any possible business. Councilman Higgins said it isn't that the Town would deny, but is asking the project sponsor to go through the regular process.

Mrs. Smith-Hayes suggested everyone read Section 9 of the Zoning Ordinance to get a better idea of the variance process.

**RESOLUTION NO. 26 OF 2007**

Messrs. Hill & Olson introduced Res. 26 and moved its adoption:

**RESOLUTION TO SET TWO PUBLIC HEARINGS FOR ZONING**

WHEREAS the Town Board wishes to bring to public hearing some proposed zoning changes and clarifications, AND

WHEREAS, there are two different areas of changes and having separate hearings would make it easier to address each change, NOW, THEREFORE BE IT

RESOLVED, that the Town Board wishes to set a public hearing on February 15<sup>th</sup> at 7:00 PM at the Community Center regarding proposed additions to the Town of Horicon Zoning & Project Review Ordinance concerning Definitions. Planning Board Meeting- Councilman Olson reported that the Planning Board Meeting last night did not have a quorum and could not take care of business. Councilman Olson made mention that some of the Boards members/alternate go south for part of the winter. ZO McMeekin said unfortunately a few of the members took the same month off, and one member who was in town forgot to show up. Counselor Schachner was asked if we could have more than one alternate. Upon checking our local law, nothing was mentioned

regarding having more than one. Messrs. Hill & Olson made a MOTION that the clerk advertise for one alternate for each Board, all ayes.

Lease with Bernard Hill for use of space on highway property- Councilman Olson asked about liability issues. Counselor Schachner pointed out paragraph 6 of the lease draft, which covers that. The following Resolution was then introduced:
